Account Terms

These account terms, along with the summary box and our Savings Terms and Conditions, apply to the Online Easy Access Cash ISA (your ISA).

As well as conditions relating to your savings account, the Savings Terms and Conditions also has an ISA Terms section, which includes more details on:

- Opening an ISA
- Account limits
- Replacement subscriptions
- Additional permitted subscriptions (APS)
- Transferring an APS or your ISA
- If something happens to you
- Closing your ISA

If there is any difference between these account terms and the Savings Terms and Conditions these account terms will apply.

All ISAs are regulated by the UK Government. If any part of these account terms is different to the ISA Regulations (Individual Savings Accounts Regulations 1998, as amended) the ISA Regulations will apply unless the Regulation is optional, in which case the account terms will apply.

Opening your ISA

This account is available online only. You can only open it at principality.co.uk and manage it using a secure online profile with Principality.

To open and use your ISA you must be 18 or over and either:

- be a UK resident, meaning that you have your permanent home in the UK (except the Channel Islands or the Isle of Man); or
- be a Crown employee (employed by the Government and serving overseas) or married to or in a civil partnership with a Crown employee.

This ISA has limited availability. We can stop accepting new applications for the Online Easy Access Cash ISA at any time.

You can only open a cash ISA in your name.

This account can also be opened by Principality Building Society by transferring the funds from an existing Principality online-only cash ISA account in your name into an Online Easy Access Cash ISA account. We will notify you in advance if we are going to do this.

This ISA cannot be opened as a joint account, or by someone acting on your behalf (for example, a trustee or someone who has power of attorney to act for you).

Putting money into your ISA

The first payment into your ISA, must be at least £1 and may be a payment transferred from another ISA. If we do not receive it or a transfer in request:

- within five business days of your ISA opening; and
- by 5pm on 5 April in the tax year your ISA opened; we may close it.

What is a tax year?

A tax year runs from 6 April to 5 April the following year.

You can make payments into your ISA using electronic payments from another UK bank or building society account in your name.

This ISA has a variable interest rate. This means the rate can go up and down. This is explained in the Changes to interest rates section of the Savings Terms and Conditions.

We work out the interest on the money in your ISA daily and pay it into your ISA on 6 April each year unless your ISA was opened between 1 April and 5 April, in which case any accrued interest will be carried over for the first year.

Any payments into your ISA after 5 April 2026 will be outside your 2025/2026 ISA Allowance. They will count towards your Allowance in the 2026/2027 tax year.

Taking money out of your ISA

You can take money out of this account at any time without losing interest.

Your Online Easy Access Cash ISA must have a linked UK bank or building society account in your name to which electronic payments can be made. Payments must be made to this linked account.

For more information, see the Taking money out of the account section of the Savings Terms and Conditions.
