If you decide to repay your mortgage early, you will incur an Early Repayment Charge unless stated otherwise in the product description. Repayments in excess of your agreed mortgage instalment up to a sum equivalent to 10% of your outstanding mortgage balance can be paid each calendar year. Any payments which exceed this 10% limit will incur an Early Repayment Charge.

The Early Repayment Charges stated below are a percentage of the amount repaid on or before the end of the Term of Initial Rate. The table below shows how our early repayment charges reduce.

Please note, if you decide to repay a mortgage with a discounted rate early, your Early Repayment Charge will be 1%, unless stated otherwise in the product description, if repaid in full on or before the end of the Term of Initial Rate.
