## Early Repayment Charges (ERC)

**Your home may be repossessed if you do not keep up repayments on your mortgage.**

If you decide to repay your mortgage early, you will incur an Early Repayment Charge unless stated otherwise in the product description.

For all of our mortgage products that have an Early Repayment Charge applied, you can make regular or lump-sum overpayments of up to 10% of the amount owed at 1st of January that calendar year, without having to pay an Early Repayment Charge.

Any payments which exceed the 10% overpayment allowance will be subject to an Early Repayment Charge.

### Terms and Conditions

Please visit our website for the latest product information or visit your local branch where we'll be happy to help.

These products are only available in branch or through Principality Mortgage Centre. We only lend on properties in England and Wales. Minimum residential loans £5,000. All our mortgages are limited offers and can be withdrawn at any time.

An overpayments facility is available on all non-flexible residential and BTL mortgages. They can be made regularly or as occasional lump sums. The overpayment allowance is 10% of the outstanding balance (as at January 1st) per calendar year. Overpayments received above and beyond the annual allowance may incur an Early Repayment Charge. For porting applications, any additional borrowing will need to exceed the minimum loan size of the product selected.

The early repayment charge stated is a percentage of the remaining balance or, if partial payment is made, a percentage of the amount paid.

†This is our current Standard Variable Rate and is subject to change.

∞The overall cost for comparison (APRC) is a way of comparing the actual cost of what you borrow.

± If you are re-mortgaging, you will not have to pay the usual legal fees we incur by using Principality Building Society's appointed solicitors. Please note that as the appointed solicitors will be acting only on behalf of Principality Building Society, you will have to pay for any additional legal work required which is beyond the usual scope of a simple re-mortgage. Examples include transfer of equity, Solar Panels that are subject to lease or full Title check for unencumbered newly built self-build property. Please note there is no help with legal fees if the mortgage is to fund initial purchase of a property.

\*The valuation will be the Principality Building Society standard Mortgage valuation only.

§ Product fees cannot be added to the loan when applying for a 95% LTV product.

\*\*Only available when one or more applicants will be party to the mortgage but not party to the deeds. All applicants who will not be party to the deeds must receive independent legal advice.

\*\*\*Wales Only is defined as Wales and the post code areas of Shropshire (SY), Herefordshire (HR) and Cheshire (CH1, CH2, CH3 & CH4 only).

### Mortgage Exit Fee

A discharge fee of £65 is payable on all products.
